

Arriving from Brindisi Airport, Brindisi or Bari Airport,

Take the highway direction BRINDISI -LECCE. Once on this highway near Brindisi you are about half an hour from LECCE.

When you arrive in Lecce, there is a large roundabout (traffic circle), go straight on, immediately you will see on your right TIZIANO HOTEL, and less than 100 m later another roundabout. Keep to the right and turn right at this roundabout(signed to STAZIONE). You will now be driving on VIALE DELL`UNIVERSITA`. After a 400 m you will go around a roundabout with an obelisk (and to your left a large "Gate" called Porta Napoli), go straight on. At the end of this long road about another 400m on your left you will see another old arch or gate, this is PORTA RUDIAE. You need to do a "U" turn just after you see the Arch and try to find a parking space outside the arch for 10-15 minutes.

Enter through PORTA RUDIAE on foot, Prestige is the first house on right, this is VIA LIBERTINI (close to ST. G. Battista Church, church to left as you enter Porta Rudiae). Once you arrive I can give you a pass for the car and show where you can park inside the city wall, but you cannot enter without the pass, hence parking outside the walls for a few minutes.
